MEMORANDUM FOR: Director of Training

SUBJECT : Authorized Military Personnel Strength

1. I have now had the opportunity to review the tentative military ceilings which were established by the Director of Personnel for the Offices under the Deputy Director (Support) on 2 September 1955. While the ceilings established above are basically in accord with the needs of the Offices, I feel there are some minor adjustments which can be made to permit a little more flexibility within the DD/S area during the remainder of FY 1956 and FY 1957.
